

## Collapsible Swab Extenders

Hygiena<sup>®</sup> Swab Extenders are easy-to-use, collapsible reaching aids. Available in multiple lengths, swab extenders enable access to the hard-to-reach test areas. A clip holds the swab securely in place. Swab Extenders are ideal for testing tanks, vents, hoppers, ceilings, and large equipment with any Hygiena test device.

### Benefits:

- Collapsible for convenient storage
- Easy-release clip holds swab in place securely
- Compatible with all Hygiena test devices
- Available in two sizes: 48 inches (1.2 m) or 13 feet (4 m)

Catalog No.	Description	Quantity
EXT48	48" (1.2 m) Swab Extender	1
EXT13	13' (4 m) Swab Extender	1
